# Arctic Foods

Our unique and exotic fish and wildlife are harvested commercially by Northern Natives to supplement their incomes and to support their traditional ways of life.

*We are proud of our emerging product lines.*

## Your aid to a healthier life

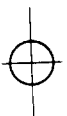

Our products are nutritious, healthy and safe, low in fats, high in proteins and free of additives. Try our Arctic products soon!

### *Variety*

Arctic Char, Lake Trout, Whitefish, Inconnu, Baffin Halibut, Baffin Shrimp, Musk-oxen, Caribou.
